45th Annual Convention

March 14, 2010, Sunday
8:00 — 5:00
Roofdeck Function Hall
49th Flr. One San Miguel Ave. Bldg
San Miguel Ave. corner Shaw Blvd.
Ortigas Center, Pasig City,
Metro Manila

Occupational Therapists offer a wide-ranging array of services in diverse settings. With an extensive educational background and fieldwork experience, it is inevitable that OT's continuously seek, explore and discover avenues to expand field of practice and help various populations to become independent in daily living.

Having sought, explored and discovered these opportunities, the real challenge is to achieve this endeavor. To achieve, it is essential to be aware of and be fully equipped to go beyond one's confines.

Post Convention Seminar / Workshop
